LT,

During today's EC call, the Lead Region mentioned that an agenda for the next Quarterly VTC with OECA (to be scheduled in the June/July timeframe) is in development. We'll have an opportunity to review a draft agenda but Lead Region is also soliciting any regional input before then as the draft is developed (by the end of April). As a reminder, attached is the agenda and materials from the last VTC. I'll raise this during Monday's LT meeting.
